This famous quotation from Shakespeare paraphrases our production which takes place in the familiar and crowded halls and classrooms of Goshen High School during the school year of 1965-1966. Our scenes are varied, ranging from school clubs, sports, music, and other activities to our all-important classrooms.

Although there are many outside activities which we enjoy, we know that the real purpose for our being here is what we gain from the classrooms. We can get a full measure of the fundamentals—reading, writing, and arithmetic—here at Goshen High School.

A glimpse at many of these scenes will start our production going as we present a review of the year 1965-1966.

These girls are studying budget planning and how to manage a household in homemaking cooking class.

The halls are dominated by GHS girls returning their cheerblock shirts to room 208.

Goshen is in possession of the ball as S. B. Riley players stand ready to resume play. Goshen came away victorious by a score of 78-56.

# Graduation Means Good-bye

Dr. Charles Fields says good-bye to 222 1966 graduates of Goshen High School during Class Day, Thursday, June 2.

Graduation is an end only to begin something new and different. For some it means going away to college and for others it means getting a job or getting married. Whatever you do it is a decision you and you alone can make. Make it wisely and you will never regret it.

Baccalaureate—May 22, 1966

# 66 Relay Titles Won

Queen Jane Luke presents the Class A trophy to Tolleston's captain Paul Laber.

Rain made the going rough for all the players at the annual 1966 Goshen Relays.

The hurdlers came fast and furious.

Gary Tolleston captured the Class A crown of the 1966 Goshen Relays. Last year's defending champs Gary Roosevelt did not return this year due to a conflict in their schedule.

Rain soaked the track during the night making it a muddy day for many of the 840 athletes. Because of the condition of the track no records in the running events were established but two of the field marks found new holders.

Tolleston's Lee Ezell established a new shot put record and S. B. Riley's Bob Gorde wrote his name in the record book with a 13 foot vault in the pole vault.

LIFE WITH FATHER, a three-act play condensed from a collection of stories by Clarence Day but rewritten for the stage by Howard Lindsey and Russell Crouse, was presented by the Junior Class on November 12 and 13.

The plot of the play, centered around the family trying to get father baptized, was strongly flavored with the taste of the late 18th century mode of living in New York.

Nic Allen, who played the lead in the play, stated the Juniors gave a lot of time and effort to the play and the final results showed the efforts were well worth while.

For the first time in many years, the Junior Play was entered by an underclassman. Freshman Bill Hostetler played the part of the youngest son, Harlon.

## Council Evaluates G. H. S. Clubs

The Council for Student Organizations is composed of four class sponsors, one representative club president, the president of the Student Council, and the Assistant Principal. Meetings are held once a month and usually involve discussion and

evaluation of school organization policies and projects. One of the club's main functions is to consider the methods and goals of raising money for school organizations and to assign moneymaking projects accordingly.

Council members consider the goals of school organizations as they assign next year's concessions and dances to various clubs.

# Student Council Promotes Public Relations

Student Council Members are Row 1. Mr. Matthews, sponsor, Dale Ann Schrock, Ted Blosser, Beccy Leedy, Roger Keil, Martha Foreman, Brook Swanson, and Cal Miller. Row 2. John Redsecker, Mike Phend, Tom Sheton, Mike Whirlledge, Tom Breed, Jane Blair, Mike Yoder and Tom Curtis. Row 4: George Rodibaugh, Gail Whistler, Sue Stump, Jan Culp, Janet Ward and Sandy Yoder.

The purpose of our Student Council is to promote good citizenship, leadership, and scholarship as well as to assure the student body of representation. This year the Council voiced its opinion on many school issues including next year's auditorium program schedule, make up time for family vacations and similar trips, removal of the statues of Lindberg and Roosevelt, and the opening of an informal study hall in room 205.

Membership in the council consists of four representatives and three alternates from each class besides the four class presidents.

Special functions of this organization include the supervision of all assembly programs, the support of community projects, and the handling of the election of the Relay Queen and her court.

Dick Kintigh, Tom Miller, Roger Keil, Dave Miller, Cal Miller, and Sam Lehman survey the football sign in front of Foreman Field. The Council suggested that the sign be renovated to improve the appearance of the campus.

It is composed of the upper 15% of the senior class and the upper 5% of the junior class. The ideals and objectives of this organization are: (1) to create an enthusiasm for scholarship, (2) to stimulate a desire to render service, (3) to promote worthy leadership, and (4) to encourage development of character.

N.H.S. maintains a student loan fund for the purpose of helping graduate members further their education. Another project of the society is a tutoring service through which members may volunteer to tutor other students in various courses.

## Euclidean Delve Into Mathematics

Euclidean Club offers students a chance to study and explore the many phases of mathematics not usually found in high school mathematics courses. Membership is open to any high school student who has completed or is presently in plane geometry and maintains a "B" or better average in math.

The monthly programs of the club are presented by the members and give each person the opportunity to find out more about a particular aspect of the mathematical field.

The club earns most of its money by stuffing football programs in the fall. Euclidean Club joins Science Club in their annual spring trip.

The club officers are Ted Blosser, vice-president; Jane Weaver, secretary; Tom Breed, public relations; Bruce Main, president; and Don Lundberg, treasurer. Above is club sponsor Mr. Blosser.

Mr. Bowers sets his sight on a year of outstanding science activities.

Tom Breed, club president, introduces a program on photography.

The Science Club, headed by Elmer Bowers, owed much of its popularity to the exceptional programs given this year. Who completely understands the stroboscope, rocketry, genetics, cameras, or colored television? Our members have explored all these areas and hopefully it has broadened their interests.

The main money making project of stuffing basketball programs provided the money for the annual spring trip. This year the trip was to Bunker Hill Air Force Base. The officers for this year were; president Tom Breed, vice-president Tom Stump, secretary Jade Westfall, treasurer Ron Hoke, and public relations Mike Druely.

Captivations overcome these Science Club members.

Members of the club are offered the opportunity to serve on duty in the Health Center, the Goshen General Hospital, as junior auxiliary aids, and in the Peterson Nursing Home. Field trips include visits to nearby hospitals, a school of nursing, and the Demonstration Day at I.U. One of the organization's chief projects is conducted on February 14.

The "Singing Valentines" we hear enable Medicorps to contribute to the Indiana Heart Association. Contributions are also made through the Heart Fund Drive each year.

The Social Studies Department, headed by Mr. Richard Harley, requires all students to take citizenship, U. S. history, civics, and sociology or economics. Psychology and world history are the two electives of this department.

Citizenship and U. S. history are concerned with the study of our American Constitution, traditions, laws, and ancestors. Civics is a further study of American government and how it is operated. Sociology and psychology are studies of man's relationships with his fellow man.

Economics, by comparing our economic system with others around the world, provides an introductory survey of our economic system.

World history, an elective course, is concerned with the beginning and spread of different civilizations; it especially emphasizes the period from 1870 to the present.

Tom Stump worked hard for the honor of being Salutatorian of the class of 1966.

Before the Seniors of 1966 go their separate ways, let us remember some outstanding events of the past four years. Remember the picnic at Rogers Park after the Freshman Clean-Up. Our Sophomore Variety Show with its Time Machine theme, and the annual Sweetheart Dance got us into the swing of things. "Best Foot Forward", our Junior Class Play and "Washington At Night", the theme of the 1965 Jr.-Sr. Prom were the highlights of our Junior year.

Our long awaited Sr. year finally arrived for 250 Seniors. We were at last the leaders of GHS, receiving the privilege of leaving the gymnasium first at the end of each assembly. Our 24-hour trip to Chicago was a tiresome but exciting day. One short week later the presentation of our Sr. Class Play "Arms and the Man" took place in the auditorium.

Grade averages, SAT scores, college applications, and job interviews concerned many of us as the year drew to a close.

As we listened to the tune of "Pomp and Circumstance", all these memories faded in the past. The future, only, now is our goal.

# Class of '67 Approaches

LIFE WITH FATHER was presented as the Junior Class Play. The members of the cast are shown here (from left to right): Alice Elliot, Jeanne Brunk, Carol Gibson, Kent Bird, Bill Hostetler (the freshman member of the cast), Jackie Piatt, Terry Bertolino, Nick Allen, Linda Ecklebarger, Ted Blosser, Judd Forbes, Beccy Leedy, Mike Bigler, Doug Smucker, Inge Botts, and Jade Westfall. Our director Mr. Cook is shown peeking out from behind Linda Ecklebarger.

We gratefully thank our able class sponsors who contributed so much to the success of our class. They are Miss Grogg, Mr. Gibson, Mr. Haney, and Mrs. Schmidt.

# Final Year at GHS

Once again the Class of '67 entered the halls of G.H.S., but we had already taken the first step towards the title of "Juniors"—our rings had been purchased in mid-August. Then, with the help of our sponsors and our officers, we realized that we must get down to brass tacks and start earning money for the expenses of the coming year.

We sponsored dances, held concessions at football and basketball games. One of our activities during the year was the presentation of the Junior Class Play, *LIFE WITH FATHER*, on November 12-13. After the play we celebrated the completion of it at a party held at GYRAB.

Earlier in the school year we began to plan for the final, big event of our junior year—the Junior-Senior Prom. Much effort, time, and motivation made the prom a long-to-be-remembered event of our junior year.

Before we knew it the year had slipped by and left only memories of the year's happenings. We had our difficulties, as everyone does, but we feel that we can look back on this year as juniors with a feeling of accomplishment and satisfaction.

The Junior Class salutes its officers for all the work that they have put into this year and for making this year one we shall remember. Our officers are Pam Beer, secretary; Emily Garber, treasurer; (back row) Phil Nicholson, sergeant-at-arms; Tom Shelton, president; Pat Yoder, sergeant-at-arms; and Don Troyer, vice-president.

## Sophomore Year Gives Freshmen Desired Goal

The last freshman class to enter G.H.S. is proud to add their 344 new faces to the student body.

The freshman started the year by electing Mike Yoder as president, Steve Massaniri as vice president, Shelly Hare as secretary, and Jan Culp as treasurer. The sponsors of the freshman class, Mr. Allyn, Mrs. Dwyer, Mrs. Beeson, and Mr. Ribblett helped us with our trials and tribulations of the first year of high school.

The freshman year has been a challenging and exciting experience. The class is looking forward to next year when we will be Sophomores.

These Freshman girls have already learned that when a photographer is around they should try to get into the act. Success is theirs.

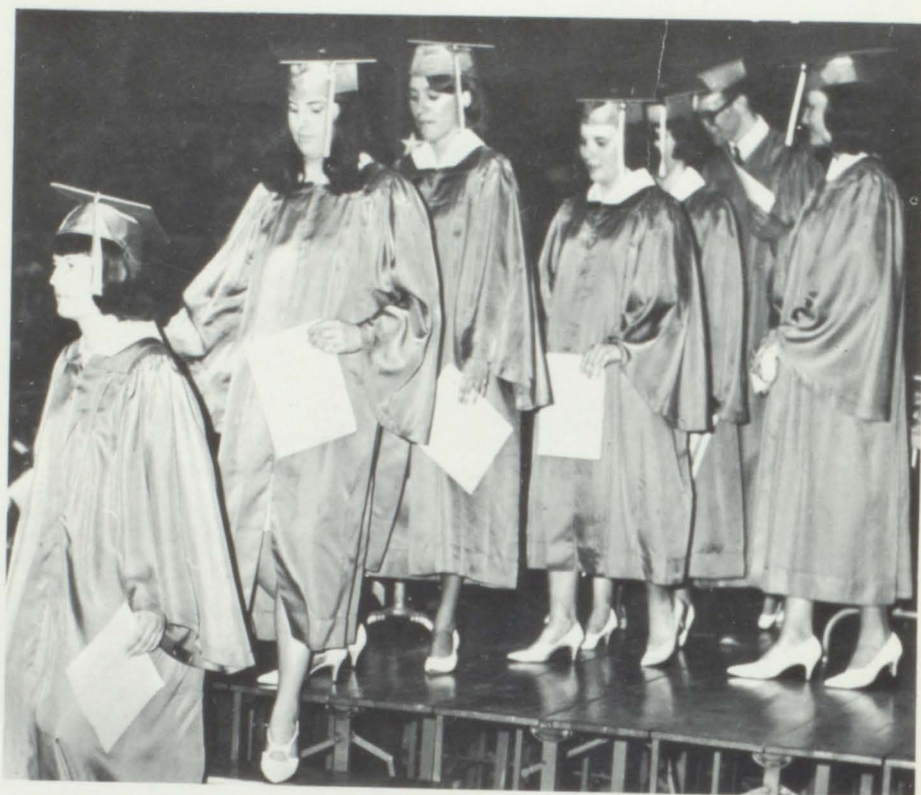

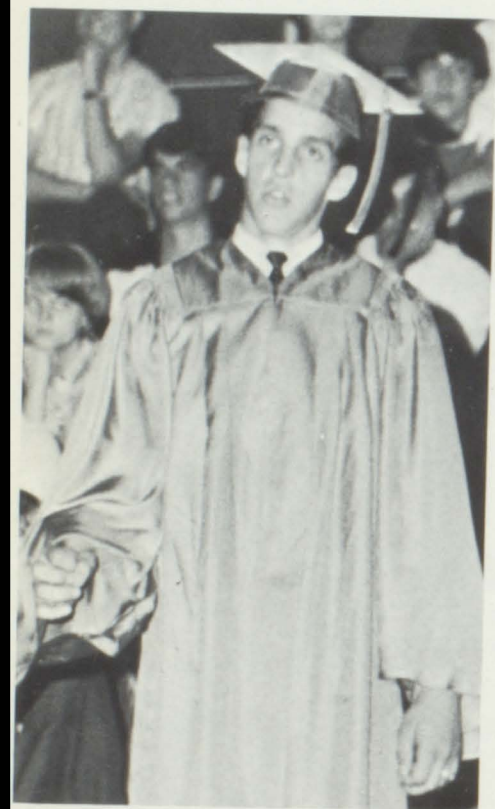

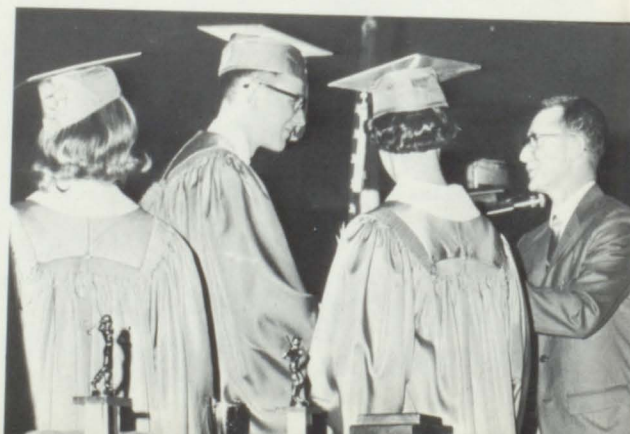

The Seniors are marching in to take their seats for one of the last events of the 1966 school year. This happens to be Senior Assembly.

Jim Miller is leading the Seniors in the singing of their song during Senior Assembly.

Awards were presented to seniors that received academic scholarships. Pictured above are seven seniors leaving the stage after being presented their awards.

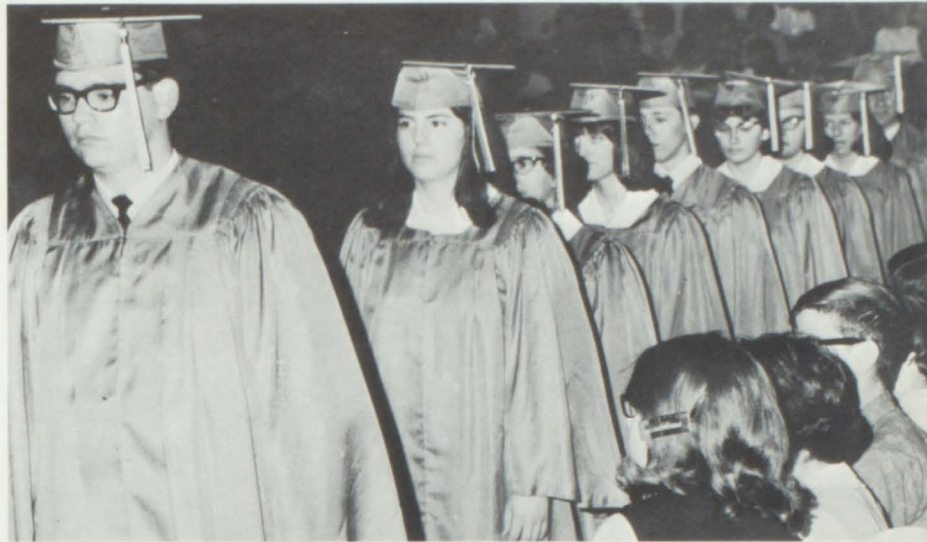

Mr. Reiner presents Sem Sutter with his Valedictorian award during Senior Assembly. Mable Amstutz, his co-valedictorian, stands in the foreground.

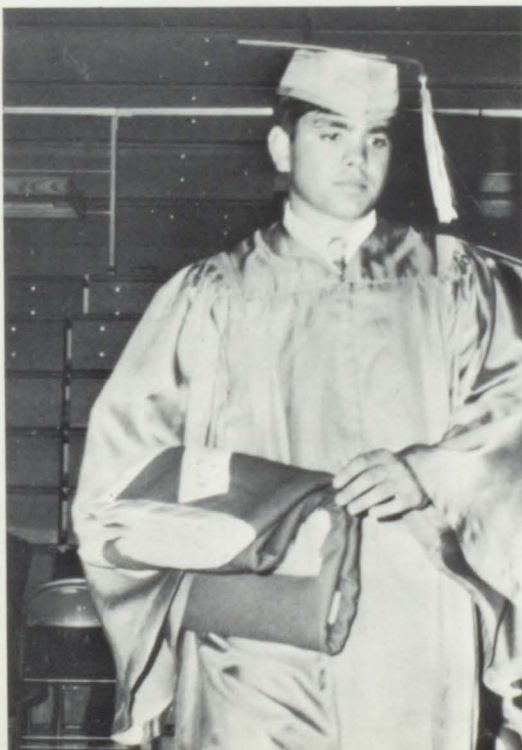

# Honored at Assemblies

Seniors pass with solemn looks as they march out of the gym after Class Day activities.

Coach Mirer presents baseball awards to the senior members of his winning team. Their record was 7 wins, 6 losses, and one tie.

Tom Stark is shown with his "G" blanket that was awarded him in Senior Assembly.

Tom Shelton, Frank Stellingwerf, Larry Parcell, Jeff Blair, and Jeff Alheim listen patiently to the speaker as they await their turn.

# Crimson Editor Speaks to You.

"I have really enjoyed this year even if it has been a lot of hard work. I think my experience on the yearbook will be a memory I could never forget."

I can't believe the yearbook is finally done, but here it is.

I would like to thank all the members of my staff for the excellent job they have done on all their pages. Especially I would like to thank our photographers Dave Miller, Bill Wilson, and Steve Bowers who have spent many extra hours behind the closed door of our darkroom developing film and printing pictures. The crimson this year is truly a student yearbook. Special thanks also to our classrooms editor, Darlene Baker, for not only getting her own pages done but also for filling in for those CRIMSON staff members that didn't know what responsibility really meant. And, of course, I couldn't forget Mr. Snyder, our sponsor, for the hours he spent guiding us in making, what we the Crimson staff feel is the best yearbook ever.

Thanks to everyone for their cooperation in making our "Fall" yearbook a success. In years to come we know you will appreciate the value of the Crimson even though right now it seems inconvenient, because of the new fall delivery.

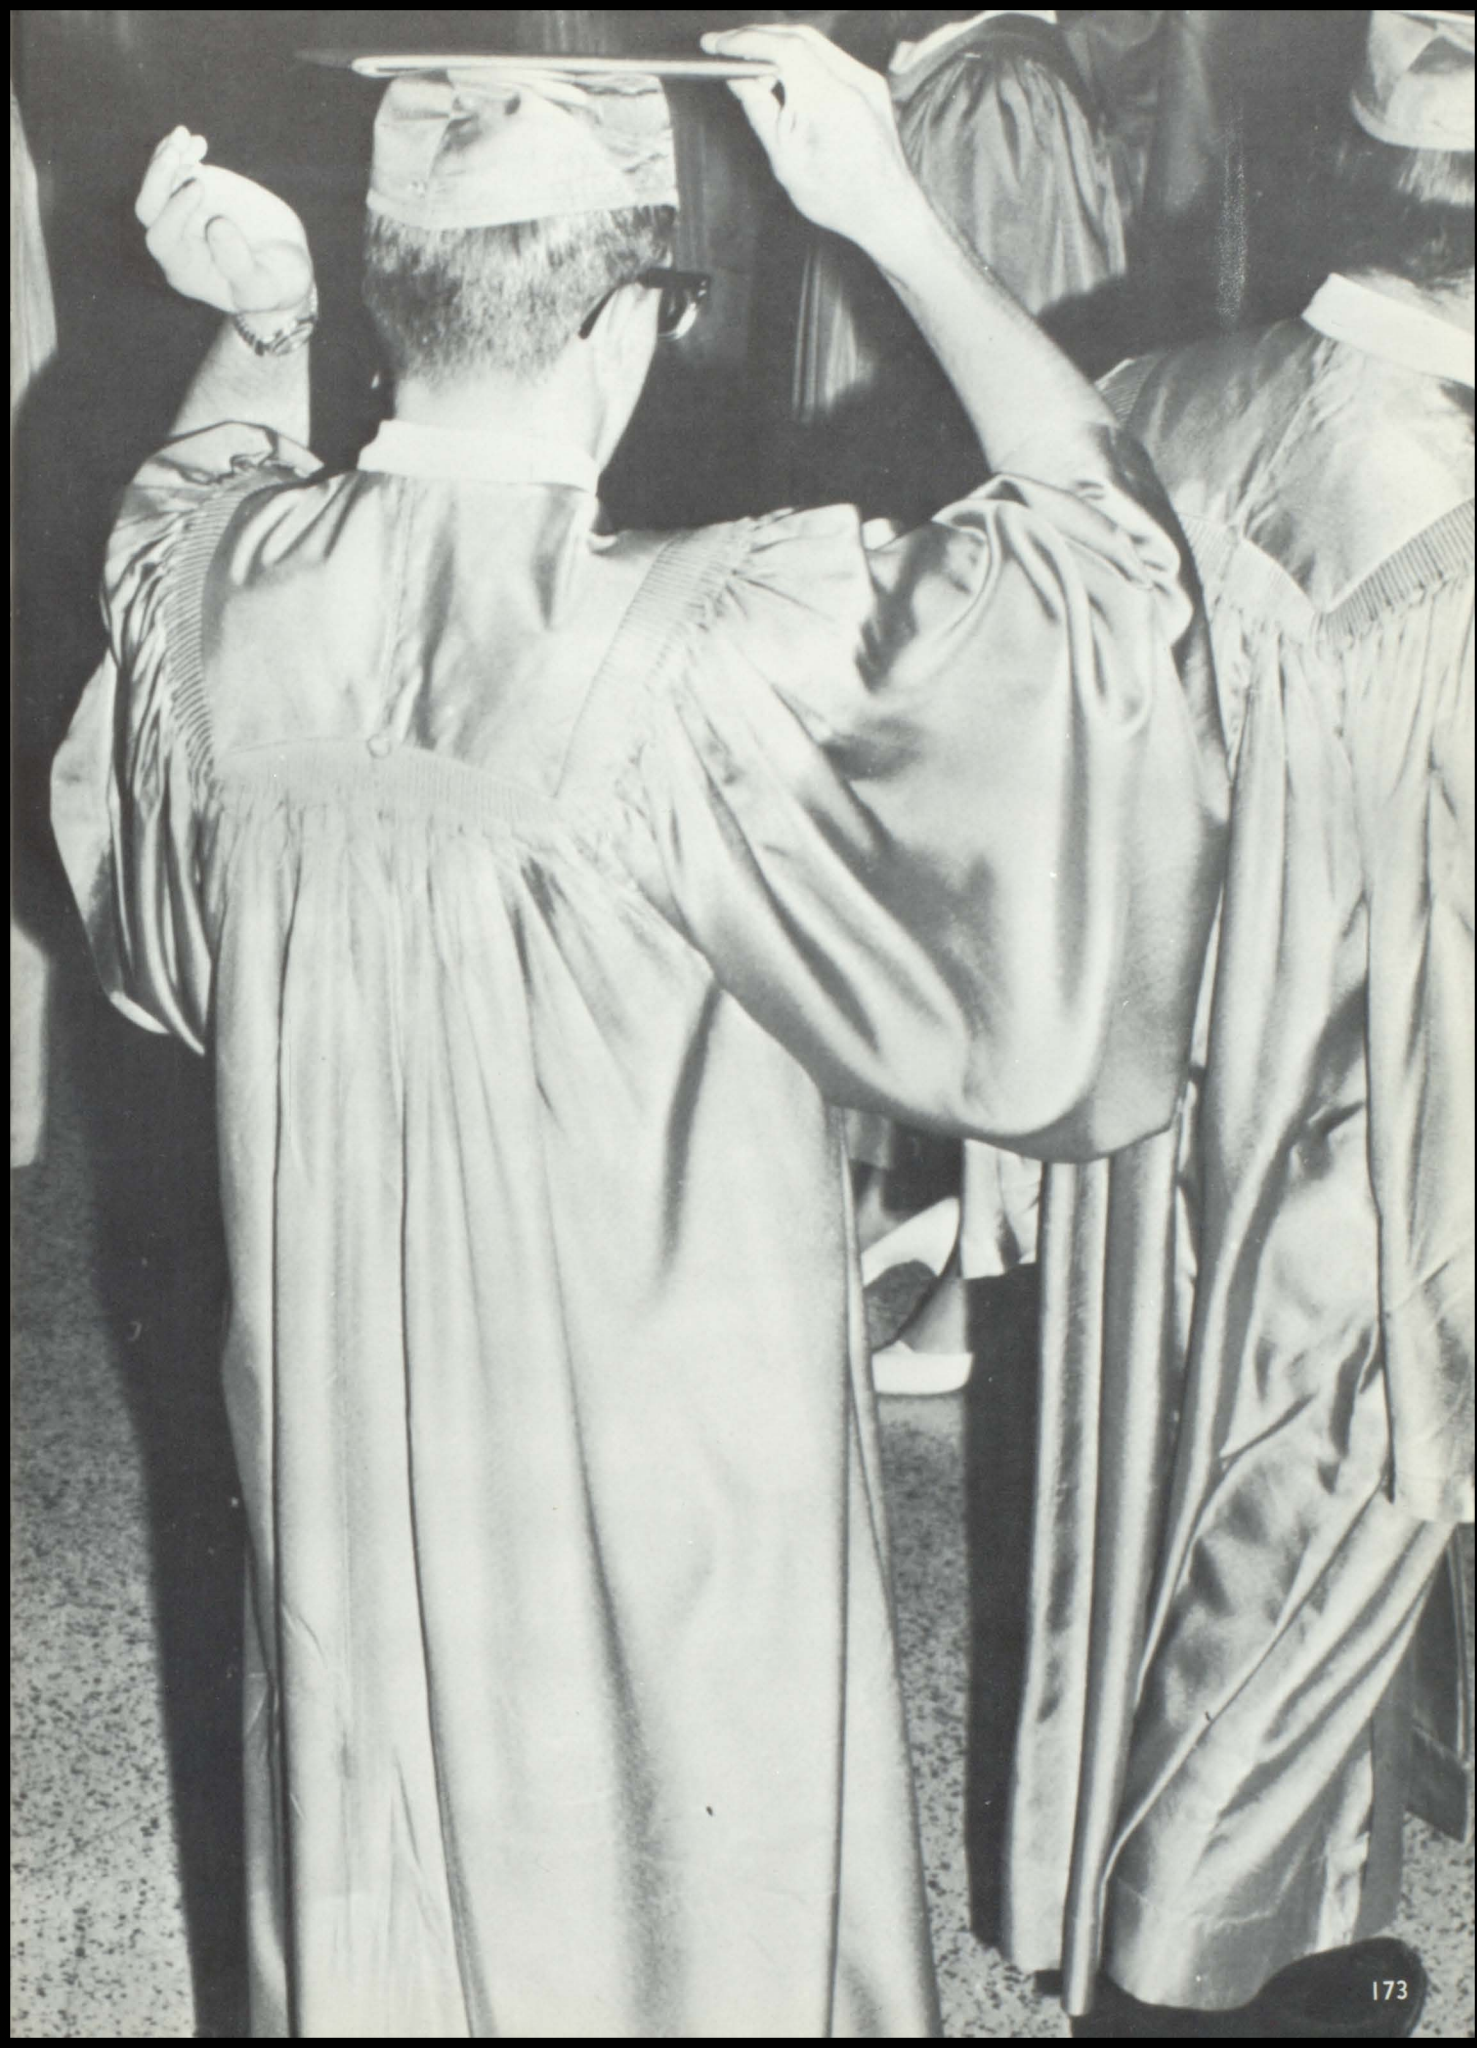

I truly hope that in years to come this book will bring as much joy and as many remembrances to you as I am sure it will for me.

Good-bye. It has been fun working for you.

Sincerely,

*Judy Taft*
